18th Open Nationals

Incorporating the CWAA Novice Championship

July 21st 2024

Venue: Manor Park Sport club Malvern Worcestershire.

Lady Paramount: Mrs Sharon Willetts

Judges: Mr Andrew Stanford & Ms Saskia Bakker

Thank you to all our competitors, our field and refreshments team and especially the Judges, you all made the most of the glorious weather for what looked like a very enjoyable Tournament.

It was great to see some new clubs represented on the line along with the colours of our old friends, your support of our event is very much appreciated.

There were 2 Six Gold end claims this year, both going to Juniors from the (AGB Dir) Bowmen of Alcester, Alex Beach Compound shooting the National and Edward Satchwell Shooting the National 50, very well done.

To all the CWAA Novice Archers, We hope this marks the start of a long and enjoyable competitive Archery career. While you won't be blessed with the sunshine for every tournament in the future, I'm sure the welcome and comradery will always be present.

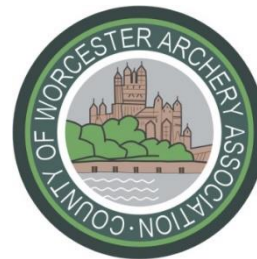

We hope to see you back next year, representing your clubs and supporting the new intake of Worcestershire Novice Archers.
